*In coming*

Kathleen N. Schneider  
Health Physicist  
State Agreements Program  
Office of State Programs  
U.S. Nuclear Regulatory Commission  
Washington, D.C. 20555

Dear Ms. Schneider:

Thank you for your prompt response to my inquiry on Limited State Agreements. To complete my file, I would like to receive copies of the references you quoted in your letter of December 24, 1984. As our state legislature is due to convene, I am most interested in the model State Legislation edited for low level waste only.

Sincerely yours,

*Tom P. Nelson*
