

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D. C. 20555

JAN 11 1979

T. Scroggins

The Rust Engineering Company
ATTN: Thomas L. Scroggins
P. O. Box 547
Albany, Oregon 97321

Gentlemen:

We are returning your application dated October 18, 1978 for a byproduct material license.

The Commission has entered into an agreement with the State of Oregon whereby the State has assumed regulatory authority over the licensing of certain byproduct, source, and special nuclear material. You should, therefore, contact:

Dr. Marshall Parrott, D.Sc.
Radiation Control Service
Division of Health
Department of Human Resources
1400 South West Fifth Avenue
Portland, Oregon 97201

The enclosed Part 150 explains the areas of regulatory authority retained by the Commission and those areas turned over to the State.

A refund of your \$110 application fee is now being processed by our Controller's office, and will be sent as soon as possible.

Sincerely,

90017265
