Docket No.: 030-20319  
Mail Control: 60425

Gentlemen:

This refers to your application dated October 17, 1984, requesting a byproduct material license.

Since the Nuclear Regulatory Commission issues material licenses for 5-year periods, the application should be complete in all respects. Therefore, you are requested to submit a complete up-to-date application supplying all of the information as outlined in the enclosed guide entitled, "A Guide for the Preparation of Byproduct Material Application for the Use of Sealed Sources in Gas Chromatography Devices and X-Ray Fluorescence Analyzers."

We will continue our review upon receipt of the completed application, in duplicate, as indicated above. Please refer to your assigned mail control number in your reply.

Sincerely,
