MEMORANDUM FOR: S. Hanauer, Task Director
Unresolved Safety Issues

FROM: Dennis M. Crutchfield, Acting Chief
Technical Support Branch, NRR

SUBJECT: RESEARCH INFORMATION LETTER NO. 54, THE SET
EQUATION TRANSFORMATION SYSTEM

Enclosed is a copy of Research Information Letter (RIL) No. 54 received from RES. In accordance with NRR Office Letter No. 23, "NRR Review of Research Information Letters," (Enclosure 2) you are requested to conduct the necessary review and take those actions deemed appropriate. I am enclosing a memorandum dated April 16, 1979 from Donald F. Ross indicating that this RIL is applicable to Generic Task A-17. After completion of this review, please complete the form, "Official Program Office Comments on Utilization or Value of RIL to the Regulatory Process", (Enclosure 3) and return it to me by August 15, 1979.

Please inform me of any meetings arranged with RES or other organizations to discuss this RIL.

Dennis M. Crutchfield, Acting Director
Technical Support Branch, NRR
