To the FOI Officer,

FREEDOM OF INFORMATION  
ACT REQUEST

FOIA-85-7  
Rec'd 1-7-85

Pursuant to the Freedom of Information Act, 5 U.S.C. 522, I am requesting copies of all reports, complaints, actions and rulings, disciplinary decisions, and evaluations by the NRC specifically regarding the Pacific Gas and Electric Company's handling of nuclear fuel, spent nuclear fuel rods, and the nuclear fuel rod storage tanks at the PG&E Humbolt Bay Nuclear Power Plant, Eureka, California.

I am obviously aware of the volumes of reports about the Humbolt nuclear facility, particularly in view of the decommissioning plan. This FOI request is specifically interested in PG&E's record and capabilities in handling nuclear fuel and materials at Humbolt.

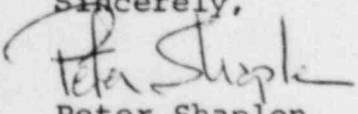

As the FOI Act provides for full disclosure, if portions of the documents are exempt, please segregate and disclose all relevant material and justify any deletions by reference to the specific exemptions of the FOI law. I will reserve the right to appeal your decision to withhold any materials.

I am prepared to pay for reasonable search and duplication costs; however, the FOI act does provide for a waiver if the disclosure is considered as "primarily benefitting the general public." I believe this request meets that criteria. I am a journalist employed by the American Broadcasting Company's TV station KGO in San Francisco. The material that I am requesting will be used as an element of a TV news story. On that basis I am requesting a waiver of all fees; however, should that request be denied and the costs exceed \$20.00 (US), please notify me of the charges before filling the request so that I may decide whether to pay or appeal your denial of my request for a waiver.

As I am a journalist working on a time deadline, I appreciate your prompt attention and response. I would appreciate your communicating with me by telephone, rather than by mail, if you have any questions regarding this request.

I will look forward to hearing from you within the 10 days required by law. Again my thanks for your assistance.

Sincerely,
