RE: Control No: 17739
License No: 25-07093-01

Gentlemen:

Last July (1984) we received the letter notifying us that our application for byproduct license renewal had been received. A copy of that letter is attached. We have not heard anything further since then and wonder now if our renewal application is still in process.

Sincerely,

Joseph D. Harrington

To: Joseph D. Harrington, Ph.D.

- 1) Explain status of renewal, deemed timely, for NRC (Mat Lic) Operations.
- 2) Delay because of large back log.
