

December 2, 1992

Mr. Richard P. LaRhette
Institute of Nuclear Power Operations
Suite 1500, 1100 Circle 75 Parkway
Atlanta, Georgia 30339-3064

Dear Mr. LaRhette:

Enclosed for your information is our listing of generic communications being considered or under development by the NRC staff. The list includes all Generic Letters (GL), Bulletins (BL), Information Notices (IN), and Temporary Instructions (TI) reported to us by December 1, 1992. As discussed with you on November 24, beginning with this issue the list will be issued monthly.

New items on the list or changes in the status of previously listed items will be identified by a notation in brackets. Also, items that have been issued or canceled will be retained on the list for one additional cycle and then dropped from the list.

Sincerely,

Original signed by:
Gail H. Marcus

Gail H. Marcus, Chief
Generic Communications Branch
Division of Operating Reactor Support
Office of Nuclear Reactor Regulation

Enclosure:
As stated

cc: S. D. Richardson, Defense Programs (Savannah River), DOE
R. W. Barber, Safety and Quality Assurance, DOE
S. Scott, Office of Nuclear Safety, NS-10, DOE
