Re: Source Material License  
SMC - 1377

Dear Mr. Axelson.

Enclosed please find a copy of "Considerations for Siting and Operating a Natural Uranium Interim Storage Facility (a Case Study of the Edlow International Co. East St. Louis, Illinois Site)".

Please include this report as part of our license application for renewal of Source Material License SMC 13770.

Thank you.

Very truly yours,

*Robert A. Rich*
