Enclosed is my completed application for a license to operate a mobile nuclear medicine service. Also enclosed is my personal check for the license fee of \$460.00.

We have consummated a number of agreements with some of our suburban hospitals to provide this service contingent upon our receipt of an NRC License. Both we and the institutions we are dealing with are eager to begin operations as soon as possible. We would appreciate any considerations you may give us in expediting this matter.

Sincerely yours,

F. Miraldi
