Dear Sir:

During an inspection by Lorenzo Wilborn on 4/17/85, it was noted that condition #12 of license number 05-19620-01 must be amended to reflect the current authorized users of the Troxler equipment. The change should be as follows: Wayne Fisher, Lee Evans and Gordon Gardunio.

Also, please review the attached certificate of training which Gordon Gardunio has completed. He will be designated as the District Radiation Protection Officer.

After talking to Glenda Jackson, FTS 492-4650, an amendment fee will be waived due to the exempt status of the B.L.M.

For further information, contact Gordon Gardunio at FTS 323-0419.
