Re: Byproduct Materials License No. 21-04082-01

030-02042

Gentlemen:

Enclosed you will find two copies of the renewal application for Byproduct Materials License, No. 21-04082-01, which covers our clinical nuclear medicine program. It is requested that the license remain as it is currently with the exception that there has been a general update of equipment, calibration techniques and radiation safety procedures.

We appreciate your consideration, and hope that you find this application in order.

Sincerely,

*M. Luke Miller*
