PART II B — APPLICABLE EXEMPTIONS

Records subject to the request that are described in the enclosed Appendix(es) N are being withheld in their entirety or in part under the Exemption No. (s) and for the reason(s) given below pursuant to 5 U.S.C. 552(b) and 10 CFR 9.17(a) of NRC regulations.

<input type="checkbox"/>	1. The withheld information is properly classified pursuant to Executive Order. (Exemption 1)
<input type="checkbox"/>	2. The withheld information relates solely to the internal personnel rules and procedures of NRC. (Exemption 2)
<input type="checkbox"/>	3. The withheld information is specifically exempted from public disclosure by statute indicated. (Exemption 3)
<input type="checkbox"/>	Sections 141-145 of the Atomic Energy Act, which prohibits the disclosure of Restricted Data or Formerly Restricted Data (42 U.S.C. 2161-2165).
<input type="checkbox"/>	Section 147 of the Atomic Energy Act, which prohibits the disclosure of Unclassified Safeguards Information (42 U.S.C. 2167).
<input type="checkbox"/>	4. The withheld information is a trade secret or commercial or financial information that is being withheld for the reason(s) indicated. (Exemption 4)
<input type="checkbox"/>	The information is considered to be confidential business (proprietary) information.
<input type="checkbox"/>	The information is considered to be proprietary information pursuant to 10 CFR 2.790(d)(1).
<input type="checkbox"/>	The information was submitted and received in confidence pursuant to 10 CFR 2.790(d)(2).
<input checked="" type="checkbox"/>	5. The withheld information consists of interagency or intra-agency records that are not available through discovery during litigation. (Exemption 5). Applicable Privilege:
<input checked="" type="checkbox"/>	Deliberative Process: Disclosure of predecisional information would tend to inhibit the open and frank exchange of ideas essential to the deliberative process. Where records are withheld in their entirety, the facts are inextricably intertwined with the predecisional information. There also are no reasonably segregable factual portions because the release of the facts would permit an indirect inquiry into the predecisional process of the agency.
<input checked="" type="checkbox"/>	Attorney work-product privilege. (Documents prepared by an attorney in contemplation of litigation.)
<input type="checkbox"/>	Attorney-client privilege. (Confidential communications between an attorney and his/her client.)
<input checked="" type="checkbox"/>	6. The withheld information is exempted from public disclosure because its disclosure would result in a clearly unwarranted invasion of personal privacy. (Exemption 6)
<input checked="" type="checkbox"/>	7. The withheld information consists of records compiled for law enforcement purposes and is being withheld for the reason(s) indicated. (Exemption 7)
<input type="checkbox"/>	Disclosure could reasonably be expected to interfere with an enforcement proceeding because it could reveal the scope, direction, and focus of enforcement efforts, and thus could possibly allow recipients to take action to shield potential wrongdoing or a violation of NRC requirements from investigators. (Exemption 7 (A))
<input checked="" type="checkbox"/>	Disclosure would constitute an unwarranted invasion of personal privacy. (Exemption 7(C))
<input type="checkbox"/>	The information consists of names of individuals and other information the disclosure of which could reasonably be expected to reveal identities of confidential sources. (Exemption 7 (D))
<input type="checkbox"/>	OTHER

The persons responsible for the denial are those officials identified below as denying officials and the Director, Division of Freedom of Information and Publications Services, Office of Administration, for any denials that may be appealed to the Executive Director for Operations (EDO).
