Amendment No. 02

Jack L. Massie Contractor, Inc.  
6895 Richmond Road  
Williamsburg, Virginia 23185

In accordance with letter dated March 25, 1985, License Number 45-19332-01 is amended as follows:

Condition 13.A.(1) is amended to read:

- 13.A.(1) Each sealed source containing licensed material, other than Hydrogen 3, with a half-life greater than thirty days and in any form other than gas shall be tested for leakage and/or contamination at intervals not to exceed twelve months. In the absence of a certificate from a transferor indicating that a test has been made within six months prior to the transfer, a sealed source received from another person shall not be put into use until tested.
