

Secretary of the Commission  
U.S. Nuclear Regulatory Commission  
Washington DC 20555

001728

Attn: Docketing & Service Branch 12/9/80

To Whom it may concern,  
I have heard that your  
plant is considering suicide, by  
putting radio-active wastes in every-  
day consumer products. I hope you  
have sufficient evidence that this  
is a safe method.

Martin Mullen
