Division of Fuel Cycle and
Material Safety
Office of Nuclear Material Safety
and Safeguards
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

Gentlemen:

We are in receipt of the U.S. Nuclear Regulatory Commission Materials License; therefore, please disregard our letter dated January 19, 1981 requesting copies of the license.

We would like however, to have the following persons who have completed the nuclear training course to also be included as part of the license:

Frank Kosheluk
Derrick Schull
Antonio Loffredo
James R. Leach

*Completion Certificate for rigid course
on these individuals forwarded
with letter 1/19/81 (in license
file) - M.*

We would appreciate your quick response on this matter.
Thank you.

Very truly yours,

KASPER ASSOCIATES, INC.
