U. S. Nuclear Regulatory Commission
Region II,
101 Marietta St., N.W., Suite 2900
Atlanta, Georgia 30303

Dear Sirs:

This is a request for an amendment to License No. 52-17273-01 to include Dr. James W. Scott Cora as one of the physicians who will use and supervise the use of licensed-material at the Caguas Sono Nuclear and Vascular Center.

Dr. Scott Cora qualifications, experience with radiation, and practice in Nuclear Medicine proceedings are documented in the attached Curriculum Vitae; License No. 7448 issued by the Puerto Rico Board of Medical Examiners and the board certificate issued by the American Board of Nuclear Medicine and the Naval Medical Command (Department of the Navy).

I will continue as Director of the Laboratory and Dr. Scott Cora will be working on a fee for service basis.

Enclosed please find check in the amount of \$190.00 for the amendment fee.

Thanks for your attention.
