(Concerning Request
for Photographs)

The Staff has advised the Board that the photographs dealt with in our Memorandum and Order (Requesting Additional Information on Unit 2 Excavation) issued June 11, 1985 were taken with a Polaroid camera; consequently there are no negatives from which copies can be made. We have decided to examine the original photographs and then make them available upon request for inspection by the parties.

Any party that wishes to examine the photographs shall file such request with the Board by July 1, 1985.

IT IS SO ORDERED.
