Dear Mrs. Books:

Your January 7, 1981, letter to Chairman Ahearne providing comments on the Draft Programmatic Environmental Impact Statement (PEIS) related to decontamination of TMI-2 has been forwarded to this office for response.

As I told you in an earlier letter, all comments received are being carefully considered by the staff in preparation of the Final PEIS and will be published in an appendix to the Final PEIS.

Regarding your request to be kept informed of TMI activities, I have included you on the distribution list for the TMI-2 Weekly Status Report.

Sincerely,
