Docket No. 50-358

Mr. Earl A. Borgmann  
Vice President - Engineering  
Cincinnati Gas & Electric Company  
P. O. Box 960  
Cincinnati, Ohio 45201

Dear Mr. Borgmann:

SUBJECT: WILLIAM H. ZIMMER NUCLEAR POWER STATION UNIT 1 - LP TURBINE DISC INFORMATION

By your letter dated December 1, 1980 you submitted the subject information and requested that it be withheld from public disclosure pursuant to 10 CFR Section 2.790(b)(1). Your basis for the request was stated in the enclosed Westinghouse Electric Corporation letter to Mr. Harold Denton dated November 24, 1980 and its accompanying affidavit by E. J. Barsness.

We have examined the data and have approved your request. The information is required for our safety review of your application for a license to operate the Zimmer Nuclear Power Station, similar information has been withheld from public disclosure on previous applications, disclosure of the information is not required in the public interest nor by 10 CFR, Part 9, and therefore will be withheld from public disclosure per 10 CFR, Part 2, Section 2.790(b). Withholding from public disclosure shall not affect the right, if any, of persons properly and directly concerned to inspect the data.

Sincerely,

Original signed by

Robert L. Tedesco, Assistant Director  
for Licensing  
Division of Licensing
