

DOCKET NUMBER CD-498,499  
PROD. & UTIL. FAC. .....

March 7, 1981

Dear Sirs:

I read that the NRC Atomic Safety and Licensing Board is holding a 2-day conference on the licensing of the South Texas Project. The conference is reportedly scheduled for March 17 & 18 in Austin, TX.

I should like to express my view to the board. I understand that members of the public will be given a voice on March 18.

Please put my name on the list.

Thanks
