

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D.C. 20555

5/17/83

Dear Jim,

To keep you up to date, I am sending you: 1. Redraft (Working Paper B) of the reg. guide endorsing ANS 56.8, including internal comments received on last year's W.P. A.

2. Rough compilation of what I consider editorial comments, and would rather stick in the reg. guide only if ANS 56.8 does not make the corrections. Please excuse the rough nature of these, but I wanted to send them along with the RG and not delay while they are cleared up.

Your May 4, 1983 letter is being reviewed, and I will call you on it, as well as your paper for the ANS meeting.

P.S. 5/12/83 Bernaro memo just rec'd, & included F.Y.I. copy also sent to Flanagan/Burns under separate cover. *Gunter Arnold*
