Dear Gunter:

I have enclosed a copy of the first draft of my report entitled "Evaluation of Containment Leak Rate Testing Criteria" for your review and comment. The report will be sent to our publications office by October 10, but because they will be involved for some time in retyping the entire manuscript (to change formats, etc.) there will be sufficient time to incorporate any comments you wish to make. I look forward to hearing from you soon.

Sincerely,

A handwritten signature in cursive script, appearing to read "Jin".
