

Dear Sir,

DOCKET NUMBER  
PROD. & UTIL. FAC. 50-289

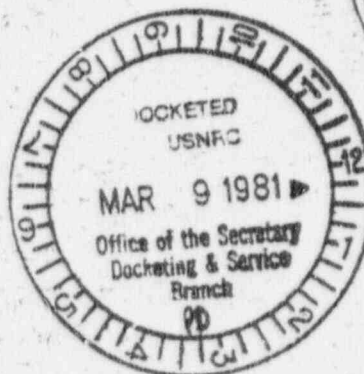

I'm 84 and need electric for  
many things. I need it to get up and  
down at the hotel.

If MET ED gets in trouble  
I may be out of luck. I will have to stay  
in my room.

SO, please start UNIT I.

YOURS SINCERELY,

*Carrie B. Bair*
