

DOCKET NUMBER
PROD. & UTIL. SEC. 50:289.....
March 3, 1981

John F. Ahearne,
Chairperson
U.S. Nuclear Regulatory Commission
Washington, DC 20555

Dear Mr. Ahearne,

We urgently ask you to keep the Three Mile Island Unit 1
shut. It is totally irresponsible to start Unit 1 while the
accident at Unit 2 is still going on.

Thanking you,
