Dear Sir,

You listen long  
enough to our dirty  
men that run this  
nation.

I think the company  
should have some say.

This nation is going  
to hell because the company  
aren't free to run their  
business.

The automobile Co. are  
suffering next it will be  
electric. What happens to  
Met-Ed & DP4 will affect

the whole nation. So  
don't forget people lose  
faith in electric Co. The  
whole nation will know  
it.

It's up to you.

Yours sincerely

Mrs Elsie May Long
