Dear Sir

As a customer of Metropolitan
Edison Co., we urge your help in
getting TMI Unit 1 restarted.

Because of the high esteem
of the U.S. Navy and its nuclear
practices under Admiral Rickover
wouldn't it be helpful if he
and his staff could check the
operating procedures prior to
start up. A green light from
him would do much to quiet
the fears of the local people
and others who are against
nuclear energy projects.

Very truly yours DS07
