15 Arrowhead Avenue
Riverside, R. I. 02915
March 1, 1981.

Dear Mr. Ahearne:

We strongly support getting T.M.I. back on the line.
Nuclear power is most essential for the good of our
country. We must do all we can to rid our country of
O.P.E.C.

Sincerely,

B203200488
