Office of the Provost
and Dean of the Faculty

Easton, Pennsylvania 18042
(215) 250-5070

April 3, 1985

Mr. Thomas T. Martin, Director
Division of Radiation Safety and
Safeguards
U. S. Nuclear Regulatory Commission
631 Park Avenue
King of Prussia, PA 19406

Dear Mr. Martin:

Thank you for your letter of March 26, 1985, regarding
Inspection No. 85-01 of facilities at Lafayette College.

Let me assure you that the problems of ongoing inspection
and documentation will be solved and that you will have a full
report by April 26 outlining the means of compliance the College
will follow henceforth.

You will hear further from us within the month.

Sincerely yours,

Harold Gene Moss,
Associate Provost and
Director of Research

Professor David Hogenboom, Head, Physics

H. Gene Moss

From: H. Gene Moss, Associate Provost and Director of Research

Subject: Safety Inspection of Radioactive Facilities

Enclosed is the letter and attachments I received April 1 from Thomas T. Martin. May I ask that you take the steps that are necessary to bring each of the three facilities into compliance and that you report to me in writing, no later than April 19, what actions have occurred.

cc: Thomas T. Martin, Director, Radiation Safety, NRC Region I /
Professor Leon McGeady, Director of Engineering
Professor Vince Viscomi, Head, Civil Engineering
Professor Robert Chase, Head, Biology
