MEMORANDUM FOR: Andrew L. Bates, Chief
Operations Branch
Office of the Secretary

FROM: Elizabeth Q. Ten Eyck, Deputy Director
Division of Safeguards and
Transportation, NMSS

SUBJECT: CLASSIFICATION REVIEW OF SECY-92-064

As you know from conversations with members of my staff, SECY-92-064, "Disposition of the Weapons Grade Nuclear Material from Decommissioned Nuclear Weapons," dated February 25, 1992, has been undergoing review for classification. This review has resulted in the determination that SECY-92-064 contains time-sensitive information which is no longer sensitive.

This document may be placed in the PDR, and holders of the document, who were notified to protect pending classification review, should be advised of this determination.
