Re: Amendment of our license No. 48-11805-02 reflecting change
of Radiation Safety Officer

To Whom It May Concern:

By this letter let it be known that Dr. Anne Bosch as proposed Radiation Safety Officer for Hazleton Laboratories America, Chemical and Biomedical Sciences Division, is authorized to sign documents and to act on behalf of Hazleton Laboratories America, Chemical and Biomedical Sciences Division in all transactions between this corporation and the U.S. Nuclear Regulatory Commission. She has the full support of her supervisors in this position and it is hereby acknowledged that her duties as Radiation Safety Officer will at all times take priority over any other work she may be assigned. She is authorized, in cooperation with the HLA Radiation Safety Committee, to administer all aspects of the radiation safety program and has the authority to terminate immediately any project involving licensed material that is found to be a threat to health or property.

Sincerely,

Roy M. Dagnall, Ph.D., D.Sc.
Corporate Vice President and General Manager
Hazleton Laboratories Corporation
