RE: Byproduct Material License No. 48-11805-02

Dear Mr. McCann:

This letter is to inform you that I will be resigning my position as Radiation Safety Officer (RSO) for the above cited license effective at the end of the day on February 10, 1985.

Accordingly, Dr. Anne L. Bosch has been appointed by the Radiation Safety Committee as acting RSO for this license, pending approval by the NRC. She will assume her duties and responsibilities effective at the beginning of the day on Monday, February 11, 1985.

Attached are two copies of an amendment to the above cited license formalizing this transaction. It contains pertinent training and experience information to help you in evaluating Dr. Bosch's qualifications for serving as RSO. Also attached is a check for the amendment fee of \$60 pursuant to 10 CFR 170.31(3K). If you should have any questions regarding this matter after February 10, I can be reached at my home telephone number, (608) 244-8690.

Sincerely,

*Larry M. Kneeland*
