RE: Byproduct Material License No. 48-11805-02

Dear Mr. McCann:

Enclosed are two copies of an amendment to the above cited license requesting an expansion of our authorized uses to include human use of byproduct material in bioavailability and pharmacokinetic studies of IND-approved pharmaceuticals. The amendment complies with the requirements set forth for specific licenses as outlined in 10 CFR 35.11.

A check for the amendment fee of \$40 pursuant to 10 CFR 170.31 (3K and 7B) is enclosed. If you should have any additional questions or should need more detailed information, please contact me. We have an immediate need for this amended use, so any efforts to expedite approval of this application would be greatly appreciated.

Sincerely,

Larry M. Kneeland
