68 West 100 North Street
Logan, Utah

License: 43-19114-01
Expiration Date: March 31, 1985

03046085

Gentlemen:

This refers to a telephone conversation on March 6, 1985, between Mr. C. Hooker of our staff and Mr. M. L. Lund concerning the expiration of NRC License 43-19114-01 on March 31, 1985. Mr. Lund stated that no licensed radioactive material was possessed and that you would request that the license be terminated. We have received no communications from you subsequent to the above conversation.

Provided that you do not possess any licensed material, please complete the enclosed NRC Form 314, "Certification of Disposition of Materials," and return the form to the U. S. Nuclear Regulatory Commission, Region IV, 611 Ryan Plaza Drive, Suite 1000, Arlington, Texas 76011, Attention: Chief, Nuclear Materials Safety and Safeguards Branch.

Sincerely,

Original Signed by:

R. J. EVERETT

R. J. Everett, Acting Chief
Nuclear Materials Safety and
Safeguards Branch

Enclosure:
NRC Form 314
