Gentlemen:

With reference to our license, number 21-16026-01, we are officially asking for renewal of our current license so that we may be able to continue to operate under it.

After carefully reviewing our license we have found that it reflects our current program activities with the only change being a slight reduction in use of the instruments.

With our current license renewal, number 21-16026-01, expiration date 1/31/85, program code 03123, we will continue to operate in accordance with our license related statements and documents, and all NRC applicable regulations and license conditions.

Enclosed is the required fee of \$120.00. You may contact the undersigned if you have any questions. I can be reached at (313) 285-5503. Please send me a copy of the license as soon as possible.

Thank you.

Respectfully,
