Dear Mrs. Holt:

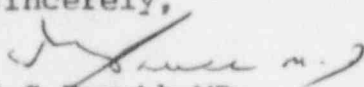

Thank-you for the NRC License to use the Bone Mineral Analyzer in our Findlay Clinic.

We are buying a separate set of Single and Dual Photon Densitometers with separate iodine-125 and gadolinium-153 sources for these machines.

I will appreciate your issuing a license for the use of this new set of equipment to our Toledo center. The address there is Beverly Hills Medical Center, Suite R, 1614 S. Bryne Rd, Toledo, Ohio 43614.

Thank-you.

Sincerely,

M.C. Parekh MD
