Dear Mr. Aldman,

Thank you for your letter of March 21, 1985 and my NRC License Number SUB-1453. I would like to inform that as we get ready to start operating the cancer treatment center that we have been assigned a different mailing address by the post office; although it is the same building, the same site, and same linear accelerator. So our mailing address will be 601 E. Bloomington Street, Iowa City, Iowa 52240. Our target opening date is August 1<sup>st</sup>, 1985 and until then you can use my home address: 47 Arbury Drive, Iowa City, Iowa 52240 for correspondence. My office telephone number in Cedar Rapids is 319-398-6180.

Thank you.

Sincerely yours,

  
Hamed Tewfik, M.D.
