License No. 04-19644-01

SteriGenics, International
ATTN: Barry Fairand, Ph.D.
Vice President Technology and Quality
4020 Clipper Court
Fremont, CA 94538-6540

Dear Mr. Fairand:

This refers to our technical review of your financial assurance submittal dated November 8, 1990 and subsequent submittals dated November 12, 1991, December 30, 1991, January 17, 1992, and July 20, 1992.

Based on this technical review, it appears that you are in violation of NRC requirements, as specified in the enclosed Notice of Violation with attachment. A written response is required. Reply in duplicate and refer to Control Number 00136. If you fail to file an answer within the specified time, the NRC may take additional enforcement action, including the issuance of an Order modifying, suspending, or revoking your license.

In accordance with 10 CFR 2.790 of the Commission's regulations, a copy of this letter, the enclosures, and your response to this letter will be placed in the NRC Public Document Room.

The response directed by this letter and the accompanying Notice are not subject to the clearance procedures of the Office of Management and Budget as required by the Paperwork Reduction Act of 1980, PL 96-511.

If you have any questions regarding this letter, you may contact Kevin Null of my staff at (708) 790-5625.

Sincerely,

John A. Grobe, Chief
