

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D. C. 20555

JUL 26 1979

MEMORANDUM FOR: Robert G. Ryan, Director
Office of State Programs

FROM: William J. Dircks, Director
Office of Nuclear Material Safety
and Safeguards

SUBJECT: DESIGNATION OF NMSS CONTACT FOR AGREEMENT STATES FOR
TECHNICAL MATTERS RELATED TO URANIUM RECOVERY FACILITIES

In conformance with Mr. Gossick's direction at the meeting on July 20, 1979, I'm designating Mr. Ross A. Scarano, Chief, Uranium Recovery Licensing Branch, as the main contact for Agreement States staff in all matters related to technical aspects of licensing and monitoring of uranium recovery facilities. Please take appropriate measures to insure that all such queries and related correspondence are directly referred to him for action.

William J. Dircks, Director
Office of Nuclear Material Safety
and Safeguards
