SUBJECT

*Radiation Stentz, Inc. 04-19644-01*

*Financial Assurance Submittal (N00136)*

SUMMARY

*Mr. Politan returned my call re: status of Standby Trust Agreement. For RST follow-up on his 8/6/91 letter. Mr. Politan indicated that he just recently was informed by bank issuing Letter of Credit (Wells Fargo) that it's against their bank's policy to act as a trustee. Consequently they (Wells Fargo) are working w/ licensee (Owen King) to find another trustee for Standby Trust Agreement. Mr. Politan indicated that the form & the document is or has been drafted in accordance w/ <sup>sample</sup> document in Reg. Guide 3.66.*

*If we need addl. info, I suggested we contact Brad O'Neil of Wells Fargo. He can be reached at San Francisco 415-394-4017 or Walnut Creek 510-680-2018.*

SUBJECT

Assurance of Radiation Technology, Inc.

SUMMARY

license renewal w/out accepted financial assurance  
Recommend we issue RST's license renewal  
in lieu of <sup>acceptable</sup> appropriate financial assurance based  
on following:

1. License renewal has been in timely renewal status since June 1986.
2. Current license contains numerous commitments relative to possession of Co-137 WEST capsules. However, all of these sources have been removed & licensee possess only Co-60 sources.
3. Licensee has a pending financial assurance submittal for appropriate dollar amt. However, we are in process of sending deficiency letter to address items identified by ICF as deficient in <sup>RST's</sup> Letter of Credit. Most recent contact (letter dtd. 8/6/91) addressed submittal & required standby trust agreement.

ACTION REQUIRED

Need concurrence from Section Chief that doc in order to  
issue renewal (on this conversation record). (N) 81397

ACTION TAKEN

Kevin Hall is working on FA. It will check status of FA by 11/13/91.  
Licensee is responding in good-faith. Appears no problem with FA.
