Gentlemen:

We received your September 7, 1984 request for an amendment to Materials License 12-19292-01 and your check for \$110.

As specified in fee Category 5A of \$170.31 of the enclosed 10 CFR 170, which went into effect June 20, 1984, your application is subject to an amendment fee of \$170. However, since we have been informed by the Licensing staff that no licensing action is required for your February 8, 1984 amendment request, we have retained \$60 of the \$110 fee submitted with that application as the additional fee for your September 7, 1984 request. Concurrently, we have notified the Office of Resource Management to refund the remaining \$50 to your company. You should be receiving this refund shortly.

Your September 7, 1984 application has been forwarded to the Licensing staff for further processing. If you have any questions concerning this matter, please let us know.

Sincerely,

Original Signed By  
Glenda Jackson
