Mr. H. S. North  
Radiation Specialist  
United States Atomic Energy Commission  
Division of Compliance, Region V  
2111 Bancroft Way  
Berkeley, California 94704

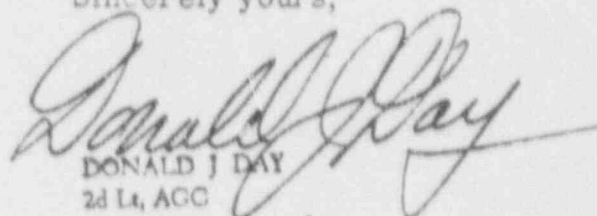

Dear Sir:

Reference your letter, file CO:V:HSN, dated 21 July 1964, proposing a visit to the USARAL Radioactive Material Disposal Facility on 5 August 1964 to conduct an inspection of the program conducted under AEC License No. 50-10023-1.

The proposed date is acceptable to this command.

It is suggested that you contact Major Frank C. Meine, Chief, CBR Division, Office of the Assistant Chief of Staff, G-3, Headquarters, United States Army, Alaska, telephone Fort Richardson 862-6114 upon your arrival in Anchorage to coordinate your visit.

Sincerely yours,

  
DONALD J. DAY  
2d Lt, AGC  
Asst Adjutant General
