

WOMEN'S PARTY FOR SURVIVAL

The Women's Party for Survival works through political action to create a world free from nuclear destruction.

APRIL 10, 1981

MR. JOSH HENDRICK,

DOCKET NUMBER

PROPOSED RULE

(46 PR 17216)

PR. 2

(612)

I AM WRITING WITH A DEEP SENSE OF
URGENCY CONCERNING THE ATTEMPT CURRENTLY
BEING MADE TO ELIMINATE PUBLIC PARTICIPATION
IN THE NUCLEAR POWER PLANT LICENSING
PROCEDURE. THIS WOULD NOT ONLY GIVE
THE PUBLIC UTILITIES FREE REIN TO ESSENTIALLY
DETERMINE THEIR OWN SAFETY STANDARDS, IT
WOULD BE A BLATANT INFRINGEMENT ON OUR RIGHTS
AS U.S. CITIZENS TO THE DISCOVERY OF
INFORMATION AFFECTING OUR LIVES.

THE NRC MUST NOT LET THIS
HAPPEN. I BELIEVE PG&E IS DESPERATELY
TRYING TO BUY A ~~GUARANTEE~~ GUARANTEE FROM
THE GOVERNMENT TO CONTINUE WITH AN ENERGY
PROGRAM PROVEN DEADLY, COSTLY, AND UNPOPULAR.

I AM NOT WILLING TO PUT MY
AT THE EXPENSE OF THEIR JUDGMENT.

MOST SINCERELY YAGS
