Attention: Mr. John E. Myers  
Contracting Officer

Gentlemen:

This refers to your letter dated May 10, 1966, regarding burial sites in the Western United States and Alaska.

There are no authorized land burial sites in the State of Alaska. There are two authorized land burial facilities in the Western United States. California Nuclear, Inc. operates a burial site in Hanford, Washington, and Nuclear Engineering Company operates a burial site near Beatty, Nevada. For information concerning the services which they can provide, you may contact these companies at the following addresses:

California Nuclear, Inc.  
2323 South Ninth Street  
Lafayette, Indiana

Nuclear Engineering Company  
Box 594  
Walnut Creek, California

Sincerely yours,
