Mr. George M. McCann
Materials Licensing Section
United States Nuclear Regulatory Commission
Region III
799 Roosevelt Road
Glen Ellyn, Illinois 60137

Dear Mr. McCann:

Subject: Amendment to Source Material License No. STB-286,
Docket No. 040-04930

The subject license, which is Amendment No. 03, was issued to The Bendix Corporation, Guidance Systems Division-Mishawaka Operations (Bendix), on March 13, 1985. On April 1, 1985 Bendix, which was a wholly owned subsidiary of Allied Corporation, was merged into its parent company. Bendix therefore became Allied Corporation, Bendix Guidance Systems Division-Mishawaka Operations. There was no change in management.

In accordance with paragraph 5 of your letter of March 15, 1985, which forwarded the subject license, application is hereby made for the amendment of the subject license to change the name of the licensee. In Section 1, Licensee, the words "The Bendix Corporation, Guidance Systems Division-Mishawaka Operations" should be "Allied Corporation, Bendix Guidance Systems Division-Mishawaka Operations". Nothing else in the license, including addresses, need be changed.

Enclosed pursuant to a telephone conversation between our counsel, Michael J. Stepanek, Jr., and Ms. Glenda Jackson of the Commission's Washington Office, is Allied's check in the amount of \$120.00 representing the fee for this amendment.

If you have any questions, please contact the undersigned.

Very truly yours,

Applicant	May 19, 1985	James L. Bicknell
