Dear Sir -

APR 1977

would appreciate
knowing if you have
discovered from NRC:

1) If they have begun to turn contaminated
radioactive metal into
consumer products.

2) What are you doing to try &
stop this? This should be
stopped! now!

3) What do you feel will happen
concerning the Supreme Court's hearing on
drafting women? We are against this!

4) Hope you will support Reagan's budget
