MEMORANDUM FOR: John Greeves, Chief
Engineering Branch
Division of Waste Management, NMSS

Leo Higginbotham, Chief
Low-Level Waste Licensing Branch
Division of Waste Management, NMSS

FROM: Donald A. Nussbaumer
Assistant Director for
State Agreements Program
Office of State Programs

SUBJECT: LETTER FROM STATE OF WASHINGTON ON SDS LINER

Enclosed is a March 6, 1985 letter from T. Strong, State of Washington formally requesting NRC's technical assistance on "SDS Liner Qualification as a High Integrity Container - Hanford Burial" by Nuclear Packaging Inc. We understand from the State of Washington a copy of this request was faxed to T. Johnson in April.
