

DEAR MR. HENDRICK

I AM EXTREMELY CONCERNED ABOUT THE  
MOVE TOWARD UNTIMELY LICENSING OF  
THE DIABLO CANYON NUCLEAR PLANT.

1. PUBLIC HEARINGS NEC. PRIOR TO LOW  
POWER LICENSING
  2. NO WASTE STORAGE PLANS
  3. NOT ADEQUATE EARTHQUAKE SAFETY  
MEASURES.
  4. INSUFFICIENT EMERGENCY PLAN.
- PLEASE DO NOT RUSH APPROVAL OF THIS PLANT.  
ALL OUR FAMILIES AND HOMES ARE AT STAKE
- THANK YOU, Ken Levin
