EXEMPTION REQUEST - 10 CFR 50.44(c)(3)111, VESSEL HEAD VENTS, FEES

Your letter of May 10, 1985 indicatad that an application fee of \$150 is required for the District's exemption request dated April 12, 1985.

The District felt that this request was a follow-up to a previous request which resulted in a temporary exemption and that the fee had been previously paid. Conversations with Mr. Sydney Miner have indicated that this will be treated as a separate request and that a separate fee is required.

Therefore, pursuant to 10 CFR 170, an application fee of \$150 is enclosed for the District exemption request dated April 12, 1985.
