SUBJECT: REVISED AGENDA FOR SITE VISITS TO HANFORD AND BEATTY LLWDF

Because of scheduling conflicts with state officials in Nevada, the proposed itinerary for WM staff site visits has been modified. The Beatty leg of the trip will take place on June 19-21 instead of June 26-28. The Beatty site tour for WM participants will take place on June 21.

The itinerary for the Hanford site visit remains the same.

The revised itinerary and WMLU staff proposed travel schedule is attached.

Once again, please coordinate the participation of your staff members with Jim Shaffner prior to June 7.
