Evaluation and Certification of
South Texas Project Electric Generating Station Instructors

Dear Mr. Martin:

Eight South Texas Project Electric Generating Station (STPEGS) SRO Instructors have now received their NRC Instructor Certification letters. We would like to confirm our understanding gained through prior discussions with Region IV operator licensing personnel, that instructor participation in the conduct of the STPEGS Cold License Training Program meets the requalification requirements mentioned in the certification letters. Please confirm this understanding with us at your earliest convenience.

If you have any questions, please contact Mark McBurnett at (512)-972-3651, extension 6054.

Sincerely,
